COURSE OBJECTIVES:

The objective of this course is to help students to:

1. Develop comprehensive understanding of Textile industry and its products.
2. Develop comprehensive understanding in the area of textile fibre, yarn and fabric.
3. Develop the knowledge of different textile processes and their significance.

Course Alignment with UNSDG:

The Course aims to fulfill the United Nations Sustainable Development Goals, SDG 4 (Quality Education).

Course outcomes: After completion of the course, the student will be able to:

CO-1	Understand the influence of textile industry on India and global economy
CO-2	Demonstrate the fundamentals of textile fibre identification and classifications.
CO-3	Have better understanding of textile spinning processes and weaving and knitting processes of the industries.
