#### **Summary**

*Prof. Lalit Bhanwrela (Incharge of Mitsubishi Factory Automation Lab at EEE Dept. SVITS) was the moderator of the event and he welcomed the guest speaker Ms. Esha Varshney, Engineer FAC MEI along with Dr. Namit Gupta Director SVITS. After this Prof. Lalit Bhanwrela gave a brief introduction of the Mitsubishi Factory Automation Lab to the audience. After this he invited Dr. Namit Gupta for the welcome address and Director sir appreciated the involvement of Mitsubishi in the academic sector. The webinar session saw an overwhelming response from all registered students of the SVITS. A total of 123 students out of 145 students attended the session and some faculty members also participated in the session. Ms. Esha Varshney as the guest speaker talked about the recent trends on factory automation in which she covered*

the overview of factory automation in terms of its evolution, existence, impact, and application in different industrial sectors. She also talked about the different products of Mitsubishi Factory Automation. After the session students asked various questions in the Q&A part and all the questions were technically handled by the speaker. In the end Prof. Jitendra Managre EEE Dept. proposed the words of thanks.
