ABOUT SHRI VAISHNAV TRUST

1884 is a landmark year as the foundation stone was laid 142 years ago for Shri Vaishnav Group of Institutions by compassionate cloth merchants of Vaishnav cult of Indore, MP (India) which was later reconstituted as Shri Vaishnav Sahayak Kapda Market Committee in the year 1934. Shri Vaishnav Vidyapeeth Trust believes in taking the nation forward by improving the quality of life of its citizens by continuously working in the sphere of education, health, and environment. It has been established to promote education and research in various disciplines through academic Institutions for the benefit of all sections of the society, but not with the motive of profit. Under the able guidance of Shri Vaishnav Sahayak Kapda Market Committee, Shri Vaishnav Shekshanik Avam Parmarthik Nyas was established in the year 1981. Since then, Nyas has been working relentlessly for the upliftment of the society and country as a whole by providing better technical and professional education, health facilities, schools and other services.

The Vaishnav Institutions were visited by large number of eminent persons, which include four former Presidents and one former Speaker, besides former Vice President of the country.

Dr. Sarvepalli Radhakrishnan - (1960)

Shri Giani Zail Singh - (1984)

Dr. Shankar Dayal Sharma - (1987)

Dr. A.P.J. Abdul Kalam - (2002)

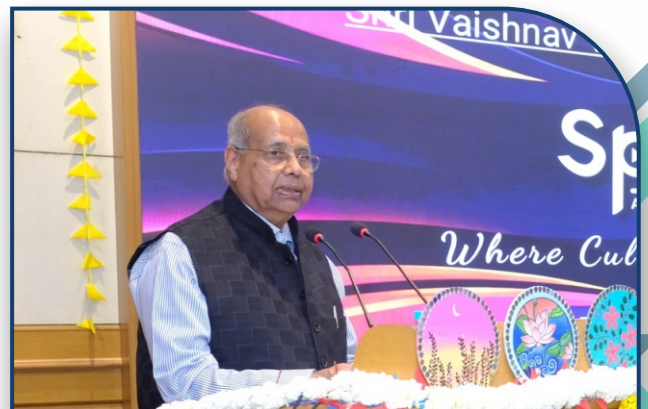

Shri M. Venkaiah Naidu - (2019)

Smt Sumitra Mahajan - (2019)

Dr Krishnaswamy Kasturirangan - (2023)

Shri Ram Nath Kovind - (2024)

Shri Om Birla - (2025)

ABOUT

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Vidyapeeth Vishwavidyalaya is a private university established under Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam in 2015 at Indore MP(India). The University has been established with a vision to be leader in shaping better future for mankind through quality education, training and research. It shall pursue the mission to make a difference in sustaining the growth of global societies by developing socially responsible citizens. Value based education being at the helm, the University shall promote endurance, excellence, fairness, honesty and transparency as its core values. Some of the objectives of the University are as under:

- To provide teaching and training in higher education and make provision for research as well as advancement and dissemination of knowledge.
- To ensure world class quality in its offerings and create higher levels of intellectual abilities.
- To create centres of excellence for research and development for sharing knowledge and its applications.

Shri Vaishnav Vidyapeeth Vishwavidyalaya at Indore is a multi-disciplinary university focusing on the needs of various segments of the society.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Information Technology

About Us

At SVIIT, we don't just educate—we transform students into industry-ready technology leaders. As a premier institute of Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore, SVIIT offers a dynamic ecosystem driven by innovation, global partnerships, and cutting-edge infrastructure.

Empowering Future-Ready IT Professionals

Industry-Powered Education:-

- Learn with Industry, Not Just about Industry
- SVIIT has deep academic integrations with global leaders:
IBM | TCS | Microsoft | Google | Red Hat | Apple | CISCO | Infosys | Impetus | NCSS
- These collaborations go beyond MoUs—they shape curriculum, labs, certifications, and delivery.

The SVIIT Advantage:-

- Learn from Global Technology Leaders
- Gain Real Industry Experience during Study
- Earn Multiple Certifications Alongside Degree
- Become Highly Employable & Future-Ready

What Makes Our Programs Unique?

Joint Industry Programs | Certifications | Real-World Learning

- Co-designed curriculum with industry leaders
- Joint global certification pathways
- Learning from industry experts
- Live projects & real-world case studies
- Hands-on training in industry labs
- Early corporate exposure

Outcome

Graduate as a skilled professional ready to contribute from Day One

Program Objectives:-

- Build strong foundations in emerging technologies
- Bridge the academia–industry gap
- Develop innovation and problem-solving mindset
- Deliver ethical, scalable, intelligent solutions
- Promote research, entrepreneurship, and lifelong learning

Join SVIIT – Where Talent Meets Opportunity
Don't Just Earn a degree. Build a Career with Industry.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Commerce

About Us

Shri Vaishnav Institute of Commerce (SVIC), established in 2018, focuses on academic excellence, industry readiness, and holistic student development. It aligns its education with the National Education Policy (2020) to prepare students for the corporate world. The institute offers an industry-oriented curriculum supported by expert lectures, internships, and real-world exposure. SVIC collaborates with reputed organizations like ICSI and Tally Education Pvt. Ltd. to enhance professional learning. Its experienced faculty fosters critical thinking, problem-solving, and entrepreneurship. Along with academics, the institute emphasizes co-curricular and extra-curricular activities for overall personality development.

Why SVIC :-

- Industry-Aligned updated Curriculum
- Learning Beyond Books (Case Studies, Real Projects)
- Skill Development + Personality Growth
- Focus on Placements & Career Success

What makes us different :-

- Modern Infrastructure & Smart Classrooms
- Skill-Based Certifications (Level 1,2,3) with our MoU partner Tally Education Pvt. Ltd
- Soft skills & Personality Development Training Module with Yes Bank Foundation and Infosys.
- Digital Learning Tools & Resources
- Exposure to National & Global Opportunities (Tie Up with St. State Cloud University, USA)

Real Industry Exposure:-

- Internships with reputed companies
- Industrial visits & field learning
- Live projects with Practical Experience
- Guest Lectures from industry Experts
- Workshops, Seminars & Networking Opportunities

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Commerce

Courses in

B. Com (3 years)

B. Com (Hons.) (4 years)

M.Com (2 years)

Undergraduate Programs

- Banking & Finance
- Business Administration,
- Computer Applications
- Corporate Secretarial Practices
- Entrepreneurship
- Tax Procedure

Eligibility Criteria:-

Minimum pass in Class 12th (10+2) in any stream, though commerce background is generally preferred for B.Com Honours. 45% for ST,SC to 50% for General and OBC

Postgraduate Programs

- Financial Risk Management
- M.Com

Eligibility Criteria:-

(preferably B.Com/B.Com Hons)

Career Opportunities :-

- Accounting & Finance Careers
- Banking & Insurance Sector
- Taxation (Direct and Indirect) Careers
- Business Administration & Marketing Careers
- Financial Services Careers
- Compliance Careers
- Business Process and KPO Careers
- Entrepreneurship & Startups
- Higher Studies & Research
- Professional Courses Career Options at National and International Level.

Placement Highlights :-

- Dedicated Placement Support & Training
- Top Recruiters across Industries like (KPO, Grant Thornton, TCS, Anaxee Digital, Growth V etc.)
- High Placement Success Rate
- Mock Interviews, GD & Aptitude Training

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Computer Applications

About Us

Established: 2015 (Under the 142-year legacy of Shri Vaishnav Trust)

Location: Indore-Ujjain Road, Indore (M.P.)

Website: www.svvv.edu.in

Shri Vaishnav Institute of Computer Applications (SVICA) is a premier center for technical education, driven by the philosophy of “**Shrividya**” (Holistic Knowledge). We aim to bridge the gap between traditional academia and the rapidly evolving IT industry. Our legacy is rooted in excellence, providing a robust ecosystem for research, innovation, and professional growth.

Key Strengths & Legacy:-

- **Academic Heritage:** Managed by a trust with over a century of commitment to education.
- **Industry Integration:** Strategic collaborations with global tech leaders like IBM.
- **Research Focus:** State-of-the-art facilities promoting software development and patent filing.

Unique Advantages (USPs) & Global Exposure :-

- **IBM Innovation Centre for Education:** Direct access to IBM’s proprietary curriculum, software tools, and cloud platforms.
- **Industry-Recognized Certifications:** Earn professional badges from IBM, while completing your degree.
- **Advanced Computing Infrastructure:** High-performance labs equipped with the latest Python, R, and Java development environments.
- **Global Exposure:** Participation in international hackathons, webinars with global tech leaders, and inter-university tech fests.

Calls to Action (CTAs) :-

- **For Prospective Students:** > "Your journey toward a global IT career starts here. Apply now for the upcoming academic session!"
- **For Campus Visits:** > "Experience our state-of-the-art labs firsthand. Schedule a campus tour today."
- **For Admissions Inquiry:** > "Have questions? Our career counselors are ready to help you choose the right specialization."

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Computer Applications

Courses in

Bachelor (3 years)

Masters (2 years)

Undergraduate Programs

BCA

Bachelor of Computer Applications
Artificial Intelligence & Machine Learning
Big Data Analytics In Collaboration with IBM

Eligibility Criteria:-

Passed 10+2 examination with 50%. OR A pass in diploma in Commercial Practice or equivalent.

B.Sc.

Data Science Collaboration with IBM

Eligibility Criteria:-

B.Sc.: Higher Secondary (10+2) with PCM/PCB or an equivalent examination

Postgraduate Programs

MCA

Master of Computer Applications
Artificial Intelligence & Machine Learning

Eligibility Criteria:-

Passed any graduation degree (e.g.: B.E. / B.Tech./B.Sc / B.Com. / B.A./ B. Voc./ BCA etc.,) preferably with Mathematics at 10+2 level or at Graduation level) Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category) in the qualifying examination.

Value Proposition of Programs:

- **IBM Edge:** Students in collaborative programs earn IBM Digital Badges and work on industry-standard tools.
- **Choice Based Credit System (CBCS):** Freedom to select interdisciplinary electives based on career interests.
- **Skill-Based Learning:** Focus on full-stack development, cloud literacy, and software testing.

Career Opportunities:

- AI Developer & ML Engineer
- Data Scientist / Data Analyst
- Full-Stack Software Developer
- Cloud Solution Architect

Placement Highlights

- **Top Recruiters:** TCS, Infosys, Wipro, Cognizant, IBM, Accenture, Capgemini, Zensar and many more.
- **Track Record:** High placement percentage with students securing roles in "Dream Companies".
- **Support:** Dedicated Training & Placement (T&P) Cell providing mock interviews, personality development, and aptitude training.

Industry Exposure & Unique Advantages (USPs)

- **IBM Innovation Center:** On-campus access to high-end software suites and cloud platforms for Big Data and Data Science.
- **Industrial Visits & Live Projects:** Regular interaction with top-tier IT firms and mandatory internships to ensure practical exposure.
- **Advanced Computing Labs:** Access to high-speed internet and modern labs equipped with the latest development environments.
- **Global Certifications:** Specialized training for Oracle, Microsoft, and IBM certifications.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Education

About Us

Shri Vaishnav Institute of Education, grounded in the legacy of Shri Vaishnav Trust, aligns with NEP 2020 to offer holistic teacher education through B.Ed., D.El.Ed. and Ph.D. programs. It emphasizes experiential learning, ICT integration, and skill development through the NEP-based curriculum supported by qualified faculty members. The institute nurtures reflective and innovative educators committed to quality education and societal development through structured internship and student centric, value based environment.

Value Proposition of Programs:

- Experiential & Practice - Based Learning
- Strong Foundation in Educational Psychology & Inclusive Education
- Research Orientation & Academic Progression
- Outcome & Competency - Focused Curriculum
- Focus on Reflective Teaching Practices & ICT Integrated Pedagogical skills
- Communication Engagement & Social Responsibility
- Interdisciplinary & Holistic Development
- Skill Enhancement & Employability (Job Opportunity)
- Pathway to Academic & Research Career

Course Objectives (B.Ed. & D.El.Ed.):

- To develop professional teaching competencies and pedagogical skills
- To promote child- centred and inclusive education practices
- To enhance critical thinking, creativity, and problem solving abilities
- To build effective communication and classroom management skills
- To integrate ICT and innovative teaching methods in education
- To facilitate practical exposure through internship and field based engagements
- To foster ethical values and social responsibility must for present scenario
- To prepare students for lifelong learning and professional growth

Placement Highlight:

- Placement support in schools, Colleges and institutions
- Guidance for TET, CTET, NET and academic careers
- Alumni placed as teachers, lecturers and researchers
- Support for research publication and academic progression (Ph.D.)
- Student successfully placed in various private and government schools teaching Grade 1 and Grade 2
- Several D.El.Ed students placed in Mahila Baalvikas Department (Anganwadi Centre) and primary schools
- Placement in Navodaya schools, Eklavya schools and Central schools (Kvs).

- Opportunities to create short animated films and creative projects
- Development of a professional animation portfolio and showreel

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Forensic Science

About Us

Shri Vaishnav Institute of Forensic Science (SVIFS), Indore, established in 2016, is a premier institute focused on forensic education, research, and professional training. The institute offers undergraduate and postgraduate programs supported by laboratories and practical learning through case studies, mock crime scenes, and field exposure. The curriculum is designed to connect academic knowledge with real-world forensic applications.

Key Strengths and Legacy:-

SVIFS is recognized for its “Learn by Doing” approach, providing hands-on training and real-world exposure to students. The institute’s strengths lie in its cutting-edge forensic and cyber infrastructure, expert faculty, and strong collaborations with forensic laboratories, law enforcement agencies, and cyber organizations. Through regular workshops, conferences, and professional training programs such as SAKSHYA, TATHYAM, and Prashikshnam, SVIFS fosters innovation, research, and skill development.

The institute has built a strong legacy of producing skilled forensic professionals, successful UGC-NET/JRF qualifiers, researchers, and academicians, contributing effectively to the justice system and academic community.

Course Objectives :-

- Develop forensic and investigative knowledge
- Build crime scene and evidence handling skills
- Enhance analytical and problem-solving abilities
- Train students in modern forensic techniques
- Prepare students for careers and research

Value Proposition of Programs:-

- Practical learning through case studies and simulated crime scenes
- Exposure to real-world forensic applications and field work
- Interaction with experts through workshops and sessions
- Industry collaborations with forensic and law enforcement agencies
- Career-oriented training with focus on skill development and emerging technologies

Shri Vaishnav Institute of Forensic Science

Courses in

B.Sc / B.Sc (Hons.) (3-4 years)

M.Sc (2 years)

Bachelors in Science B.Sc / B.Sc (Hons.)

- Forensic Science
- Digital & Cyber Forensic

Eligibility Criteria:-

10+2 with PCM/PCB or equivalent

- Criminology

Eligibility Criteria:-

10+2 in any stream

Masters in Science M.Sc

- Forensic Science
- Cyber Forensics
- Criminology

Eligibility Criteria:-

UG in relevant subject

Ph.D. Programs

- Forensic Science

Eligibility Criteria:-

Master's degree in forensic science or allied disciplines such as Physical Sciences, Chemical Sciences, Biological Sciences, or Medical Sciences

- Criminology

Eligibility Criteria:-

Master's degree in criminology, Forensic Science, Sociology, Psychology, Law, or related fields

Course Description :-

- **B.Sc. / B.Sc. (Hons.) Programs** –Focus on crime investigation, evidence analysis, cybercrime investigation, and understanding criminal behavior through scientific and practical approaches.
- **M.Sc. Programs** – Provide advanced knowledge in forensic techniques, cyber investigation, and criminology with emphasis on specialization, research, and professional application.

Placement Highlights :-

- **Diverse Career Opportunities** – Placements across government agencies, private firms, and research organizations
- **Opportunities in Multiple Sectors** – Forensic laboratories, law enforcement agencies, cybersecurity firms, banking and financial institutions
- **Higher Education & Research Pathways** – Guidance and support for UGC-NET/JRF and academic career progression

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Home Science

Department of Food & Nutrition

About Us

Shri Vaishnav Institute of Home Sciences (SVIHS), department of Food & Nutrition established in 2020 under Shri Vaishnav Vidyapeeth Vishwavidyalaya (SVVV), is a dynamic center of academic excellence in Food Science and Nutrition. The institute offers an industry-relevant curriculum blending scientific knowledge with practical skills. With a focus on research, innovation, and experiential learning, SVIHS prepares students for diverse roles in healthcare, nutrition, and food industries. Strong collaborations with leading national and international organizations enhance learning and career opportunities. The institute is committed to developing competent, future-ready professionals in the health sciences domain.

Vision-Mission:

- Excellence in health sciences education through innovation and research
- Development of skilled, ethical, and industry-ready nutrition professionals
- Integration of scientific knowledge with practical and field-based learning
- Holistic growth with a focus on global health and societal impact

Why SVIHS:

- Industry-relevant curriculum in Food Science and Nutrition
- Collaborations with reputed organizations like UNICEF, FSSAI, AIIMS, and ICMR
- Strong focus on research, fieldwork, and experiential learning
- Dedicated placement support across healthcare and food sectors
- Exposure to national and international training and exchange programs

Key Features:

- Integrated approach combining nutrition science and practical application
- Opportunities in clinical, public health, and food industry domains
- Research-driven and innovation-focused learning environment
- Development of leadership, communication, and analytical skills
- Preparation for higher education and global certifications

Facilities:

- Well-equipped laboratories for food and nutrition analysis
- Modern classrooms and academic infrastructure
- Industry and institutional collaboration platforms
- Training, workshops, and research opportunities
- Placement cell for career guidance and recruitment support

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Home Science

Department of Food & Nutrition

B.Sc. (3 years)

Courses in

M.Sc. (2 years)

Undergraduate Programs

- B.Sc. in Food and Nutrition

Eligibility Criteria:-

10+2 (Science stream preferred) from a recognized board. Minimum 45% aggregate marks. Students from PCB/PCM/Home Science background are encouraged to apply.

Postgraduate Programs

- M.Sc. in Food and Nutrition

Eligibility Criteria:-

B.Sc. in Food & Nutrition / Home Science / Sciences / Dietetics or equivalent from a recognized university. Minimum 50% aggregate.

Career Opportunities :-

- Healthcare- Clinical Dietitian, Therapeutic Nutrition Expert, Hospital Nutritionist, Geriatric Nutritionist, Diabetes Educator
- Food Industry- QC/ QA Officer, Product Development Specialist, Food Safety Officer (FSSAI), Quality Assurance Executive
- Public Health- Public Health Nutritionist, NGO & ICDS Projects, POSHAN Abhiyan, District Nutrition Coordinator
- Wellness- Health Coach, Sports Nutritionist, Wellness Consultant, Fitness Nutrition Advisor
- Research- Research Scientist, Academician/ Faculty, ICMR & NIN Roles, Ph.D Pursuits
- Entrepreneurship- Diet Clinic Owner, Food Start up Founder, Nutrition Consultancy, Independent Consultant

Program Highlights :-

- Build strong scientific foundation in human nutrition, food science & biochemistry
- Develop clinical skills for therapeutic diet planning & patient counselling
- Train in food quality control, FSSAI regulations & food safety management
- Foster research aptitude through projects, publications & innovation labs
- Enable community outreach & public health nutrition intervention skills
- Cultivate entrepreneurial mindset for food start-ups & diet clinics Provide industry exposure through structured internships & industrial visits
- Dedicated Placement Support & Training
- Top Recruiters across Industries like (KPO, BankGrant Thornton, TCS, Anaxee Digital, Growth V etc.)
- High Placement Success Rate
- Mock Interviews, GD & Aptitude Training

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Journalism & Mass Communication

About Us

Shri Vaishnav Institute of Journalism and Mass Communication (SVIJMC) is a dynamic center for media education where creativity meets credibility. The institute blends strong academic learning with hands-on practical exposure, preparing students to excel in the ever-evolving media industry.

Value Proposition of Programs:-

- Industry-oriented curriculum aligned with media trends
- Studio-based hands-on training (TV, Radio & Digital)
- Strong focus on digital journalism and content creation
- Internship opportunities with reputed media organizations
- Personality and communication skill development

Unique Advantages of Courses :-

- Practical newsroom and studio experience
- Exposure to real media production environment
- Strong industry connections
- Focus on emerging digital platforms
- Holistic personality development

Learning Beyond the Classroom :-

- News bulletin production
- Anchoring & reporting
- Podcast & radio production
- Social media content creation
- Advertising & PR campaigns
- Documentary & short film production

• Learning Beyond the Classroom :-

- Guest lectures by media professionals
- Workshops & masterclasses
- Field visits & media tours
- Live event coverage
- Internship programs

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Journalism & Mass Communication

Courses in

BAJMC (3 years)

MAJMC (2 years)

Undergraduate Programs

BAJMC (3 Years)

Bachelor's of Arts in Journalism & Mass Communication

- Print Journalism
- Electronic Media
- Digital Media

Eligibility Criteria:-

Candidates must have completed 10+2 from any recognized board. The program provides foundational knowledge in journalism and media practices.

Postgraduate Programs

MAJMC (2 years)

Master of Arts in Journalism and Mass Communication

- Broadcast Journalism
- Digital & Multimedia Journalism
- Advertising & Public Relations

Eligibility Criteria:-

Candidates must hold a bachelor's degree in any discipline from a recognized university. The program is designed for students seeking advanced knowledge and specialization in media fields.

Certificate Programs

Short-term certification course (2 Months)

- Film Studies and Appreciation
- Mobile Cinematography and Editing

Eligibility Criteria:-

Open to all.

Career Opportunities :-

- Journalist / Reporter
- News Anchor
- Radio Jockey
- Content Creator
- Digital Media Manager
- PR Executive
- Advertising Professional
- Filmmaker

Course Objectives :-

- Develop professional journalism and media skills
- Build expertise in digital and multimedia platforms
- Enhance communication and storytelling abilities
- Provide practical exposure to real-world media environments
- Foster critical thinking and ethical reporting

Industry Exposure :-

- Guest lectures by media professionals
- Workshops & master classes
- Media house tours
- Live event coverage
- Internship programs

Internships With :-

- 98.3 Radio Mirchi, Indore
- Ghamasan.com
- Khabar Satya Grah
- Pitchhme

Industrial Visits Highlights :-

- Ramoji Film City, Hyderabad
- IPSA Radio Station
- Dainik Vinay Ujala Printing Press

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Law

About Us

Shri Vaishnav Shaikshanik Evam Parmarthik Nyas, Indore, a reputed charitable organization established in 1884 as Vishnu Dharmada, has been dedicated to the social upliftment of society through education and welfare initiatives. With over 25 institutions and 23,000 students under its umbrella, the Nyas continues to promote holistic development. Carrying this legacy forward, Shri Vaishnav Vidyapeeth Vishwavidyalaya was established by the Nyas under an Act of Government of Madhya Pradesh in 2015. Its constituent department, Shri Vaishnav Institute of Law (SVIL), approved by the Bar Council of India, New Delhi is committed to academic excellence, social responsibility, and advancing access to justice through clinical legal education and outreach activities

Value Proposition of Programs:-

- Industry-oriented curriculum
- Experienced faculty & legal experts
- Focus on practical legal training
- Research-driven academic environment
-

Industry Exposure :-

- Internships with law firms, courts, NGOs
- Court visits & moot court competitions
- Legal aid clinics & live case studies
- Guest lectures by judges, advocates & corporate experts
-

Unique Advantages:-

- Moot Court Hall & Legal Aid Clinic
- Skill-based certifications
- Regular Moot Court Exercises
- Research publications & conferences
- Personality & soft skill development
- Exposure to national & international legal platforms
- Educational Trips across the country
- Collaboration with District Legal Service Authority

Course Objective:-

- Develop strong legal reasoning and analytical skills
- Promote ethical and professional responsibility
- Enhance advocacy and research capabilities
- Prepare students for judiciary, litigation, and corporate roles

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Law

Courses in

Business & Finance Laws

Substantial & Procedural Laws

Courtroom & Trial Skills.

Undergraduate Programs

- B.A. LL.B. (Hons.) – 5 Years integrated (Law with Arts)
- B.B.A. LL.B. (Hons.) – 5 Years integrated (Law with Management)
- B.Com. LL.B. (Hons.) – 5 Years integrated (Law with Commerce)
- LL.B. (Hons.) – 3 Years

Eligibility Criteria:-

For 5 years Integrated Law Programs

- 10+2 (Any Stream) from a recognized board
- Minimum Required Marks: 45% – General | 42% – OBC | 40% – SC/ST

For LL.B. (Hons.)

- Graduation (Any Stream) from a recognized university
- Minimum Required Marks: 45% – General | 42% – OBC | 40% – SC/ST

Postgraduate Programs

LL.M. – 2 Years Program

Groups of specialization

- Business Law
- Criminal Law

Eligibility Criteria:-

- LL.B. Degree from a recognized university
- Minimum Required Marks: 50% – General/OBC | 45% – SC/ST

Career Opportunities :-

- Advocate / Legal Practitioner
- Judicial Services (Judge)
- Corporate Legal Advisor
- Legal Analyst / Consultant
- Public Prosecutor
- Academician / Researcher
- Civil Services
- NGOs
- Legal Officer in PSUs
- Legal Journalism
- Arbitration & Mediation Specialist
- Cyber Law Expert / IPR Specialist
- Legal Researcher/Policy Analyst

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Paramedical Sciences

About Us

Shri Vaishnav Institute of Paramedical Sciences (SVIPS) is a premier institution dedicated to excellence in Allied Health Science professional education and healthcare training. With modern infrastructure and hands-on clinical exposure, it prepares students for dynamic roles in the medical field. The institute nurtures skilled, ethical, and competent healthcare experts.

Why SVIPS? :-

- Medical Industry-Oriented Curriculum
- Practical Training in Shri cloth market hospital and diagnostic centers.
- Digital based learning with applications and AI.
- Experienced Faculty from Industry and medical fraternity.
- Internship Opportunities with multispecialty hospitals and centers.
- Focus on practical based learning with models and subjects for better understanding.
- Personality & Communication Skill Development

Establishment of SVIPS :-

- **Parent Organization:** The institute is part of the Vaishnav Group of Trusts, which was established in 1884 to serve society.
- **Establishment Context:** The institute functions under SVVV, which was established in 2022.
- **Location:** The campus is located on Indore-Ujjain Road, Indore (M.P.).
- **Purpose:** It was formed to meet the growing need for trained professionals in paramedical sciences, offering various degrees and diploma programs.
- **Affiliation:** The institution is approved by MP PARAMEDICAL COUNCIL/NCAHP and operates within the structure of Shri Vaishnav Vidyapeeth Vishwavidyalaya, a private university in Indore.

Learning Beyond the Classroom:-

- **Hands-on Clinical Training:** Real-time practice in hospitals helps students apply theoretical knowledge to actual patient care.
- **Internships & Hospital Exposure:** Training at healthcare centers like Shri Cloth Market Hospital provides practical experience in diagnostics and patient handling.
- **Laboratory Practice:** Students gain expertise by working with modern diagnostic equipment and conducting tests independently.
- **Patient Interaction:** Direct communication with patients builds confidence, empathy, and professional ethics.
- **Workshops & Seminars:** Regular sessions by healthcare experts enhance knowledge of latest medical technologies and trends.
- **Emergency Handling Skills:** Exposure to real-life situations prepares students to act efficiently in critical conditions.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Paramedical Sciences

Courses in

Bachelor (3 years)

Diploma (2 years)

Undergraduate Programs

Bachelor of Medical Lab Technology, BMLT

Eligibility Criteria:-

Candidates seeking admission into this program shall require having passed the Higher Secondary Examination (10+2) with Biology, Physics and Chemistry by a recognized Board. Minimum 40% for General Category and 33% for Reserve category.

Diploma Programs

Diploma in Medical Laboratory Technician, DMLT

Diploma in Dialysis Technician, DDT

Diploma in Optometric Refraction, DOR

Eligibility Criteria:-

Candidates seeking admission into this program shall require having passed the Higher Secondary Examination (10+2) with Biology, Physics and Chemistry by a recognized Board. Minimum 40% for General Category and 33% for Reserve category

Career Opportunities:

This offers stable, high-demand opportunities in the healthcare sector, focusing on diagnostics and patient care.

Medical Lab Technologist

Dialysis Technician

Optometrist

Lab Technician

Pathology Assistant

Microbiology Technician

Blood Bank Technician

Academician

Researcher

Facilities:

- Well Equipped & Research Oriented Lab Facility
- Interactive Classes

Student Camp Activity :

- Blood Donation Camp
- Plantation
- Free Health Checkup Camp

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Science

About Us

SVIS was established in 2016 under Shri Vaishnav Vidyapeeth Vishwavidyalaya. We offer graduate and post-graduate programs in core and interdisciplinary sciences. Our curriculum integrates theoretical rigor with hands-on lab work, industrial training, and research projects. With strong placement records and student admissions to IITs, NITs, and global universities, SVIS is a rising hub for scientific excellence in Central India.

Key Strengths:

- NEP-2020 aligned curriculum
- Center of Excellence in Plasma Research
- Funded research projects (BRNS, SERB, DST, MPCST)
- IAPT Innovation Hub (Physics)
- Active student participation in symposia, workshops, and orations

Unique Advantages of Courses (USPs):

- Nano & thin film lab, molecular biology lab
- Mathematical software & computational tools
- Global higher studies placements (Univ. of Potsdam, Germany, etc.)
- Scholarships for inclusive education
- Scientific events: orations, seminars, lecture series, symposia

Industry Exposure:

- Industrial training (PG mandatory)
- Lab projects & MSME training
- Industrial visits and live research projects
- Workshops by industry experts
- Collaborations with IAPT, SERB, DST, MPCST, BRNS, DAE

Course Objectives:

- Build strong conceptual and analytical skills
- Develop scientific temperament and research aptitude
- Prepare students for higher studies (IITs, NITs, various global universities) and industry careers
- Encourage interdisciplinary and application-oriented learning

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Science

Courses in

B.Sc. (3 years)/ B.Sc. (Hons.) (4 Years)

M.Sc. (2 years)

Ph.D.

Undergraduate Programs

- Physics
- Chemistry
- Mathematics
- Computer Science
- Biotechnology
- Electronics

Eligibility Criteria:-

10+2 or equivalent examination with PCM or PCB as required for the major subject.

Postgraduate Programs

- Physics
- Chemistry
- Mathematics
- Computer Science
- Biotechnology
- Analytical Chemistry
- Environmental Science

Eligibility Criteria:-

B.Sc. degree in a relevant subject.

Ph.D Programs

- Physics
- Chemistry
- Mathematics
- Biotechnology
- Life Science

Eligibility Criteria:-

Master's degree in relevant subjects with the required minimum marks. Admission is based on an entrance test and/or interview as per university rules.

Career Opportunities:

- Research & Development (R&D) in science and technology fields
- Higher studies (M.Sc., Ph.D.) and careers in academia
- Teaching and education sector
- Pharma and chemical industries
- Biotechnology and healthcare sector
- Environmental science and sustainability roles
- Data science, analytics, and computational fields
- IT & tech career roles
- Life science & nanotech jobs
- Laboratory research & quality control
- Bioinformatics & computational biology
- Scientific & technical consulting
- Government & research institutions
- Entrepreneurship & tech startups

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Social Sciences, Humanities and Arts

About Us

The Shri Vaishnav Institute of Social Sciences, Humanities and Arts (SVISSHA), a constituent institute of Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore, is dedicated to fostering critical thinking, creativity, and interdisciplinary learning in the fields of Humanities and Social Sciences. The Institute provides a vibrant academic environment that integrates language, literature, and social inquiry, with a focus on developing analytical ability, ethical awareness, and effective communication skills among students.

Core Strengths:-

The Institute has a strong faculty base comprising highly qualified academicians, including Ph.D., UGC-NET, and SET qualified members, ensuring quality teaching, research guidance, and academic excellence across all programs

Infrastructure:-

The Institute offers modern infrastructure designed to support academic excellence and holistic development. It includes well-equipped Psychology and Language Laboratories and a seminar hall for academic interactions, complemented by advanced teaching and learning facilities that create a conducive environment for students.

Achievements & Milestones:-

Students of the Institute have demonstrated excellence across academic and professional domains, reflecting a strong foundation of knowledge, skills, and holistic development.

Facilities:-

- ICT-enabled classrooms for interactive teaching
- Digital learning facilities
- Seminar spaces for conferences and events
- Research and project support facilities

Key Highlights:

- MoU with IDP IELTS for International Opportunities in countries such as Australia, Canada, the UK, and the USA
- Success in competitive examinations like UGC-NET, GATE, and State PSC
- Placements in government services and the corporate sector
- Achievements in research, internships, and academic projects
- Active participation and recognition in seminars, conferences, debates, and literary events
- Career progression in teaching, counseling, media, and social development sectors

About Us

The journey of Shri Vaishnav Institute of Technology & Science (SVITS), started in 1995 with three under graduate programs and with 200 students. Over the years, SVITS has grown as a major academic engineering institute of the country with more than 8000 alumnous working in all major corporate companies of the world.

Our Vision:-

The Vision of SVITS is to blend academic excellence with Innovation, Research and Strong Industry Integration to shape competent and socially responsible engineers ready to contribute to national growth and global technological advancements.

Value Proposition of Programs:-

SVITS under the umbrella of SVVV offeres diverse technological programs focusing on latest trends like Robotics, Mechatronics, IoT, Semiconductor VLSI Chip design, Smart Grids, Sustainable Infrastructure, EV Automotives, Mechanical Engineering using AI & Cyber Physical System and Civil engineering in Computing Techniques in Structural Design through collaborative programs with renowned industries.

Program Objectives:-

- Imparting advanced technical knowledge through core engineering programs.
- Rigerous academic programs with hands-on practical exposure.
- Fostering a sense of values & Ethics to inculcate high standards of morality in professional practices.
- Encouraging the development of novel solutions to existing problems in field like Robotics, Semiconductors- VLSI Design, IoT, Civil & Mechanical engineering.

Key Strengths:-

- Authorized training centre of Factory automation in collaboration with Mitsubishi Electric India Pvt. Ltd.
- Drone Technology lab with AI.
- VLSI Design Laboratory under C2S programs by MoE, Government of India. Robotics lab with the support of e-yatra IIT Bombay.
- Well Equipped Solar & Power System Lab
- Well Equipped lab and highly trained faculties for Auto CAD, ANSYS, CNC, Stad Pro, CREO MAT LAB and others
- Well equipped Civil Engineering labs of Material testing, Software Labs, Surveying Supporting advanced learning and research.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Courses in

Electrical & Electronics Engineering

Undergraduate Programs B.Tech (4 Years)

- Semiconductor Chip Design and VLSI for Industrial Applications in association with **L&T Edutech**.
- Electronics & Communication
- Electrical Engineering
- Robotics & Automation
- Mechatronics

Eligibility Criteria:-

10+2 (PCM) with minimum 45% marks (40% for SC/ST/OBC) + Valid score in JEE/ SVET/ any equivalent entrance test.

Postgraduate Programs M.Tech (2 Years)

- Robotics & Automation
- VLSI Design

Eligibility Criteria:-

B.E / B.Tech in relevant branch with minimum 50% (45% for SC/ST/OBC) + Valid GATE/SVET score.

Diploma Programs (3 Years)

- Electronics Engineering
- Electrical Engineering
- Mechatronics Engineering

Eligibility Criteria:-

As per AICTE/ University norms

Ph.D

- Electrical
- Electronics

Career Opportunities: Graduates are placed in top companies of:

- Semi Conductor Chip Design & Verification Engineer
- Robotics & Automation Engineer

Industry Exposure:

- Fundamental research projects & bootcamps
- Regular Industry Exposure

Civil Engineering

Undergraduate Programs B.Tech (4 Years)

- Computation Techniques in Structural Design in association with **L&T EduTech**
- Civil Engineering

Eligibility Criteria:-

10+2 (PCM) with minimum 45% marks (40% for SC/ST/OBC) + Valid score in JEE/ SVET/ any equivalent entrance test.

Postgraduate Programs M.Tech (2 Years)

- Structural Engineering
- Construction Technology & Management
- Geotechnical Engineering
- Transportation Engineering

Eligibility Criteria:-

B.E / B.Tech in relevant branch with minimum 50% (45% for SC/ST/OBC) + Valid GATE/SVET score.

Diploma Programs (3 Years)

- Civil Engineering

Eligibility Criteria:-

As per AICTE/ University norms

Ph.D

- Civil

Career Opportunities: Graduates are placed in top companies of:

- Structural Design, Project Management, BIMO Projects and AI Enabled Construction Technology

Industry Exposure:

- 14 week final year internship on real time projects on model construction Techniques with renowned companies

Mechanical Engineering

Undergraduate Programs B.Tech (4 Years)

- Digital Manufacturing using AI and CPS in association with **L&T EduTech**
- Mechanical Engineering
- Automobile Engineering

Eligibility Criteria:-

10+2 (PCM) with minimum 45% marks (40% for SC/ST/OBC) + Valid score in JEE/ SVET/ any equivalent entrance test.

Postgraduate Programs M.Tech (2 Years)

- Thermal and Design Engineering
- Industrial Engineering

Eligibility Criteria:-

B.E / B.Tech in relevant branch with minimum 50% (45% for SC/ST/OBC) + Valid GATE/SVET score.

Diploma Programs (3 Years)

- Automobile Engineering
- Mechanical Engineering

Eligibility Criteria:-

As per AICTE/ University norms

Ph.D

- Mechanical

Career Opportunities: Graduates are placed in top companies of:

- Digital Manufacturing & Systems Engineer
- EV Systems & Infrastructure Specialist

Industry Exposure:

- Industry-Integrated Learning with L&T Edutech
- Hands-on Smart Manufacturing Experience

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Textile Technology

About Us

Shri Vaishnav Institute of Textile Technology (SVITT) is a premier institution and the first Institute of Textile Engineering in Madhya Pradesh, dedicated to excellence in textile and fashion education. Fashion and textiles are evolving rapidly through innovation, sustainability, and technology, and SVITT plays a vital role in preparing future professionals for this transformation. The future of the industry lies in smart textiles, eco-friendly materials, digital design, and advanced manufacturing processes that meet global demands while preserving environmental balance. By blending creativity with sustainable practices, the fashion and textile sector is shaping a world where style, functionality, and responsibility go hand in hand. With modern infrastructure, practical exposure, and industry-oriented learning, SVITT nurtures skilled, ethical, and competent professionals, empowering young designers, researchers, and industry experts to drive transformative growth while honoring tradition and embracing modern advancements.

Why SVITT:

- The only university in MP offers Diploma, UG, PG, and Ph.D. Programs in Textile and Fashion.
- 100% Placement for the last 12yrs.
- Highest pay package is 18 LPA.
- Strong Alumni Network is the legacy of SVITT.
- Excellence in Industry, Academia and Government sectors.
- Indian Knowledge base system inspired programs.
- AI Integrated programs.
- Excellent Industry Institute linkage: Regular Industrial Visits, Internship, Project & Placement.
- Internship Opportunities with multispecialty hospitals and centers.
- Focus on practical based learning with models and subjects for better understanding.
- Personality & Communication Skill Development.

Purpose:

It was formed to meet the growing need for trained professionals in Textile Technology and Fashion Design, offering various Ph.D, Master degrees, degrees and diploma programs.

Establishment Context:

The Department of Textile Technology was one of the mother departments of SVITS, started in 1995. Over the years, an excellent base in terms of facility and machinery has been built at the department. After the glorious 31 years of significant contribution in Textile education the department of Textile is now recognized as Shri Vaishnav Institute of Textile Technology under the aegis of Shri Vaishnav Vidyapeeth Vishwavidyalaya.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav School of Management

About Us

Established in 2006, Shri Vaishnav School of Management delivers industry-aligned management education through academic excellence, experiential learning, research, and corporate engagement. With experienced faculty, modern infrastructure, strong industry collaborations, and a focus on placements, entrepreneurship, and leadership, SVSM develops future-ready professionals equipped for dynamic global business environments.

Key Strengths:

- Distinguished faculty with strong academic credentials, industry expertise, and research excellence
- Impressive placement track record with leading national and global recruiters
- Fully integrated smart campus enabled through an advanced ERP system
- Dynamic undergraduate and postgraduate ecosystem driven by industry-oriented learning
- Specialized courses delivered by experienced industry professionals and domain experts

Unique Advantages:

- Specialized programs in collaboration with reputed industry partners
- Industry-recognized certifications embedded within the curriculum
- Strong emphasis on leadership, innovation, and entrepreneurial mindset
- Dedicated placement assistance with top recruiters across sectors
- Modern smart campus with ERP-enabled academic ecosystem
- Global outlook through expert sessions, industry interactions, and experiential learning opportunities

Value Proposition of Programs:

Our BBA and MBA programs seamlessly integrate academic excellence with industry relevance. Students benefit from co-designed curricula, expert-led learning, live projects, internships, professional certifications, and corporate mentoring—ensuring they graduate as confident, skilled, and career-ready professionals from Day one.

Program Description:

SVSM's BBA and MBA programs are designed to build future-ready business professionals through a blend of academic excellence, industry exposure, and experiential learning. The curriculum integrates modern business practices with specializations in Marketing, Finance, Human Resource Management, Business Analytics, Digital Business, Entrepreneurship, Operations, and Strategic Management through live projects, case studies, certifications, and corporate mentoring.

SHRI VAISHNAV VIDYAPEETH VISHWAVIDYALAYA, INDORE

Shri Vaishnav Institute of Architecture
Shri Vaishnav Institute of Planning

About Us

SVIA focuses on all-round student development by combining theory with practical learning. It uses studio-based teaching along with labs, site visits, and real-world experiences. Students get opportunities to express creativity through installations and exhibitions. The curriculum is regularly updated to match industry trends. By involving both professionals and academicians, the institute prepares students for real-world challenges. This approach helps students become innovative, adaptable, and well-rounded.

Affiliation: The institution is approved by Council of Architecture, New Delhi and operates within the structure of Shri Vaishnav Vidyapeeth Vishwavidyalaya, a private university in Indore.

Why SVIA? :-

- **Creating a Better Built Environment** :- To design structures that are safe, functional, and aesthetically pleasing, such as homes, schools, and hospitals.
- **Ensuring Human Comfort and Functionality** :- To create spaces that meet human needs, including proper lighting, ventilation, and efficient use of space.
- **Promoting Sustainable Development** :- To design energy-efficient and environmentally responsible buildings that minimize resource consumption.
- **Preserving Cultural and Social Values** :- To reflect and promote local culture, traditions, and identity through architectural design.
- **Supporting Urban and Rural Development** :- To contribute to planned development of cities and villages, including infrastructure and public spaces.
- **Encouraging Innovation and Technology** :- To use modern materials, construction techniques, and digital tools in design and execution.
- **Providing Professional Opportunities** :- To prepare students for careers as architects, urban planners, and designers.

Learning Beyond Classroom :-

- Hands-on workshop Training
- Internships & Industry Exposure
- Studio Practice
- Exhibition
- Site Visit and Market Survey
