We are very proud of our alumni and aspire to have alumni who have not only strived to be the best in the world but to be the best for the world. ## From the Desk of Vice Chancellor

*“Nobody is bothered about an institution more than its alumni.” - N. R. Narayana Murthy*

Shri Vaishnav Vidyapeeth Vishwavidyalaya believes in maintaining the relationship between the University and its alumni by sharing the saga of development and growth. In line with our mission statement, the university strives to recognize and develop opportunities for all learners by nurturing academic excellence, fostering values, and building competencies in a dynamic environment. The best place to start practising what you have gained would be your alma mater.

Every day brings new complexities into the world. We get absorbed in our families as well as in work and suddenly realize that we've lost touch with those who are physically away. CONFLUENCE – the Reunion can help you stay connected to those who were your classmates, seniors and juniors irrespective of whether you are from SVITS or SVVV as you pursue your post-academic life and career, whichever corner of the globe you are in.

SVVV invites you to share your journey and futuristic progressions through CONFLUENCE. Hoping that you will continue to walk with SVVV for generations.

Alumni are the actual “wealth” of an academic Institution for promoting its name and supporting it. What the alumni have achieved reflects in the reputation of the Institution. The time you spent in your alma mater is to be cherished for nourishing it. The continuous input from the alumni helps an Institution to improve.

This is the 8<sup>th</sup> Confluence in the series. CONFLUENCE-the Reunion” would take you down memory lane and help you cherish the sweetest moments you had spent with your teachers, mentors and friends. I welcome you all to be a part of and maintain this healthy rapport among us for a lifetime.
