NRDC, New Delhi

- Established in 1953, with a mandate of Promotion, Development and Commercialization of indigenous technologies originating from various R&D Organizations in the country, **National Research Development Corporation (NRDC)** is an organization under the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India.
- Its primary objective to promote, develop and commercialise the technologies / know-how / inventions / patents / processes emanating from various national R&D institutions / Universities.
- During the past six decade of its existence and in pursuance of its corporate goals, NRDC has forged strong links with the scientific and industrial community in India and abroad and developed a wide network of research institutions, academia and industry and made formal arrangements with them for the commercialisation of know-how developed in their laboratories and is now recognised as a large repository of wide range of technologies spread over almost all areas of industries, viz. Agriculture and Agro-processing, Chemicals including Pesticides, Drugs and Pharmaceuticals, Bio Technology, Metallurgy, Electronics and Instrumentation, Building Materials, Mechanical, Electrical and Electronics etc.

SVVV, Indore

- **Shri Vaishnav Vidyapeeth Vishwavidyalaya** is a private university established under Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam in 2015 at Indore MP(India).
- The University has been established with a vision to be leader in shaping better future for mankind through quality education, training and research. It shall pursue the mission to make a difference in sustaining the growth of global societies by developing socially responsible citizens. Value based education being at the helm, the University shall promote endurance, excellence, fairness, honesty and transparency as its core values.
- Some of the objectives of the University are as under:
- To provide teaching and training in higher education and make provision for research as well as advancement and dissemination of knowledge.
- To ensure world class quality in its offerings and create higher levels of intellectual abilities.
- To create centres of excellence for research and development for sharing knowledge and its applications.
- **Shri Vaishnav Vidyapeeth Vishwavidyalaya** at Indore is a multi-disciplinary university focusing on the needs of various segments of the society.
