About Prakaalp 2021

Students' Internship represents a unique, innovative non-traditional educational approach based on experiential learning. Summer Internship provides management students a valuable opportunity in which they can explore their capabilities and interest while networking with professionals in a corporate setup. Management students enhance their domain knowledge while undergoing an internship in a variety of functional areas.

Understanding the significance of Summer Internship in Management Curriculum, University has started '**PRAKALP'-National Summer Internship Contest** in the year 2017 for Under Graduate Post Graduate students, which were held on September 20, 2017. This type of event is an opportunity to display the experience and insights gained from summer training, explore, and enhance understanding of the project and helps in sharpening the concept clarity, analytical skills, organizational, and job perspectives. The event also creates an environment of interaction between academia and industry.
